

#### Colors:

- i like the green
- Body text pale green instead of white

#### Size:

- Slightly smaller subheaders (character 1, house floor plan)

#### Layout:

- Responsive
- Character section
  - Display: flex
  - Flex-direction: row
  - Back to column at narrower screen-width
  - Character descriptions below image
- Separate sections more, maybe borders or horizontal line

#### Margins / padding

- Menu - more top padding
- Remove margins
- Menu slightly wider than the main content

#### Letters

- Description of what the images are (could be scattered or block of text)
- Maybe a few more pictures
